# PRODUCT CERTIFICATE

**No. 204/C5/2010/010-026498**

In compliance with the enactment of Article 5 Clause 2 of the Government Decree No. 163/2002 Coll., that lays down technical requirements for selected construction products, as amended by Government Decree No. 312/2005 Coll., it is confirmed, that in case of the construction product

**Products for the protection paintings and coatings of mineral substrates and masonry**

**Type/variation: AERO-THERM**

manufacturer:

**ŠPANIEL GROUP, a.s.**

I No:	28781481
address:	Na Spravedlnosti 1533, 530 02 Pardubice
plant:	ŠPANIEL GROUP, a.s.
I No:	28781481
address:	Skršice 26, 517 71 České Mezíříč
order:	Z 010 10 0162

the Authorized Body has reviewed documents submitted by the manufacturer, performed the initial type-testing of the product sample, assessed factory production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the national technical approval and technical regulations:  
STO No. 010-026496 of 21.05.2010
- the factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned national technical approval and technical regulations and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 010-026497 of 28.5.2010 containing the conclusion of the findings, assessments, test results and description of the product necessary for its identification is to be considered as an integral part of this certificate.

This certificate remains valid as long as the requirements given in the national technical approval and technical regulations referred to hereinabove or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

The Authorized Body performs at least once a 12 months the surveillance of proper function of the factory production control, selects samples at the factory and performs an audit-testing of samples to assess whether the characteristics of the product comply with the national technical approval and technical regulations according to Article 5 Clause 4 of the above mentioned Government Decree. If the Authorized Body identifies some failures, it is competent to cancel or change this certificate.

The person taking overall responsibility for this certificate:
